e. The Director of Security and other senior officials of the Office briefed the Executive Director on security regulations, procedures and, particularly, personnel security.

f. The Deputy Director (Support), the Director of Security, and senior officials of the Office were briefed on the results of the monitor project dealing with the conversion of the Office of Security indices to computer language. A demonstration of the computer operation was provided after the briefings.

g. Staff work was completed on a study relating to the release by the Agency of classified (nonmilitary) information to foreign governments. A letter was prepared to the Department of State describing the findings of the study which sought to establish the extent to which recipient governments were affording this information proper security protection.

h. The Director of Security and the Chief, Special Security Center, met with the DDCI and the DD/S to recommend certain changes in the activities of the Office of Security with respect to programs.
